Purposed Teams equips and aligns teams to function On Purpose For a Purpose.

Our team experience is fundamentally different than most. Our focus is not on the individuals of a team, but the team as a system. We believe that a team built upon strong relationships is a team that experiences high productivity and profitability, as well as employee engagement.

### Let OB3 Customize an Experience for your Team

- We offer a complimentary *Team Leader View* that provides a baseline and map of your teams development
- Experiences are customized by depth of need, number and duration of coaching sessions, tools, and assessments

### I'm interested! What's next?

- Great! Please reach out to our Relationship Manager [jcooley@onebody3.com](mailto:jcooley@onebody3.com) with your name, organization, and contact information and we will schedule your complimentary *Team Leader View*.
- Once the TLV assessment is completed, we will consult on what's possible for your team
